

SPACESAVER = STORAGE SIMPLIFIED.

Serving San Diego for more than 20 years.

### Because You Have More Important Things to Do!

Trust FileFax to solve all your storage problems. Our customized Spacesaver systems can be configured to handle materials of any shape or size. And in many applications you can virtually double your storage capacity in the same amount of floor space. Safe, secure and durable, high-density systems are ideal for today's busy lab. Call **800-873-1707** a professional space assessment for no cost or obligation.
